

Talofa!

We want to know your attitudes and views about COVID-19. We invite you to fill out this survey.

The questions ask reasons why, or why not, you have gotten a COVID-19 vaccine and any related social impacts. Your answers will be used to guide our future response efforts.

The survey should take no longer than 10 mins and is voluntary.

We are grateful for your help!

Please note:

This is not a form for medical help. If you, or someone you know is sick, please call your doctor. If it is an emergency, please dial 9-1-1.

This is not a form for financial assistance or other resources. If resources become available to assist those affected economically by COVID-19, we will reach out to share information about those resources.

By clicking the "Next Page" button confirm that you have read, understand, agree to the information provided above, and you will begin the survey.
